## Falak Properties, Dubai selects BQT Security Products

BQT Solutions Limited is pleased to announce that today, Falak Properties of Dubai, a major property developer has requested BQT to supply its leading edge security solutions in the 'Falak Towers' development in the 'Dubai Sport City' complex. Falak Properties is controlled by Mr Falaknaz who has recently been appointed to the Board of BQT Solutions Limited.

BQT's intelligent CCTV and specialised software applications and the SmaX Access Control system, incorporating miPASS smart card technology for building access and Identification will be deployed throughout the 'Falak Towers' development, adding a secure & reliable platform for future applications.

The 'Falak Towers' development will deliver a truly unique living concept, with spacious one and two bedroom apartments with panoramic views of the golf course and waterfront park that makes up part of the 'Dubai Sports City' complex. 'Dubai Sports City' is part of the prestigious 'Dubailand' project, featuring the world's most complete sports complex.

The 7 buildings in the 'Falak Towers' development, which will utilise BQT product, have been designed with Sports in mind. Three of the buildings will have a Golf theme, whilst the others will be designed with Cricket, Tennis, Ice Hockey and Baseball themes. (See image below).

BQT has targeted the Middle East as a major opportunity and will open an office in Dubai in February 2007.
